IGU HAS UNDERGONE A SUCCESSFUL ON-SITE EVALUATION FOR INTIAL ACCREDITATION WITH ACCSC

On November 28-29, 2017 a team of six evaluators from Accrediting Commission of Career Schools and Colleges (ACCSC) conducted on-site evaluation of our campus. The main purpose of this final visit was to verify the quality, fairness and sustainability of our policies, procedures and practices with respect to ACCSC's standards.

The on-site evaluation visit went very successful without any major findings.

During the site visit, our accreditor (ACCSC) also surveyed 40% of our current student body, and they shared the results with us. We are extremely honored to report the results of the survey with our students, faculty, staff, and other stakeholders.

ACCSC survey shows that:

1. 96% of our students are satisfied attending IGU
2. 98% would recommend IGU to their friends or family members
3. 98% are satisfied with the admission and application process
4. 95% are satisfied with the academic affairs
5. 96% are satisfied with faculty performance
6. 98% are satisfied with learning resources system
7. 93% are satisfied with the current facilities and infrastructures

At IGU, we feel very proud of our students, faculty and staff, and certainly appreciated their patience and support during this lengthy process.
